Victoria Rinek requested the inclusion of senior exercise equipment.
  - b Community Center and /surrounding area – Victoria Rinek suggested adding additional electric outlets to the Gazebo stage area and a new stove for the Community Building. c Potential East Side Park – Monica spoke on the land and what the donation of that would look like with ½ BMX track and ½ sports complex. Wendy O’Dea Thomas asked if the land could be donated now and saved for future usage. Al Morrissette explained that the land owner wants the land to be used and not left empty. The land owner would like a plan of how it would be developed to submit to their board for approval and the plan needs to include a road to access the land.
