8.01 Commercial motor vehicles shall not be used in the transportation of solid waste upon or along any public street or highway of the District; provided, however, commercial self-haulers as provided in Section 7 of this Ordinance may utilize such vehicles upon the condition that the solid waste is so contained as to prevent it from leaking, dripping, falling, blowing or scattering from the vehicle in which it is being conveyed or transported.

8.02 Trucks used in the collection and transportation of solid waste shall have bodies of watertight metal construction which shall be leak proof and shall be equipped with a close-fitting cover, which shall be affixed in a manner that will prevent dropping, spilling or other loss of solid waste upon the highway during collection and transportation. SECTION 15. RESTRAINT OF ANIMALS TO PROTECT COLLECTORS

15.01 Any occupant owning or possessing an animal on the premises which may bite or attempt to bite a solid waste hauler while engaged in collecting refuse shall be required to secure the animal(s) or place the Detachable bin in such manner that such animal shall not constitute a hazard or to endanger a solid waste hauler. In addition to any criminal penalties specified in this code, failure to adhere to the requirements of this section shall be cause for suspension of collection service during such time as there exists any such danger or hazard. Suspension of service pursuant to this section shall not relieve any person or firm of the duty to pay solid waste collection charges during such period of suspension.

SECTION 16. REGULATION-MAKING POWERS

16.01 The Board of Directors is authorized to make such rules and regulations not inconsistent with the provisions of this policy so as to effect efficient collection and removal of waste material by the District or its duly authorized contractors. SECTION 17. COLLECTION AREAS

17.01 A mandatory collection area located within the boundaries of the District, as presently constituted at time of Ordinance passage, and as amended in the future by LAFCO, is established and shall consist of:

17.01.01 All multi-family units of five (5) or more.

17.01.02 All developed properties classified as industrial or commercial.

17.01.03 All institutional entities, such as schools and government buildings.

17.02 Other mandatory collection areas may be established by Ordinance by the District as found to be necessary for the public health and welfare or required to implement state laws.

SECTION 18. COLLECTION CHARGES

18.01 The District Board shall by separate resolution fix and, from time-to-time, amend the various charges related to solid waste collection.

SECTION 19. LIABILITY FOR PAYMENT OF FEES MANDATORY COLLECTION

19.01 Each owner, occupant or person in possession, charge or control of any collection premises located in a mandatory collection area is hereby made liable jointly and severally for the payment of the solid waste collection, processing and disposal fees levied against such premises for required solid waste collection, processing and disposal services, irrespective of the actual use of the service provided by the District or grantee. Services made available to those premises required to receive such service shall be considered as services utilized. It shall be the primary duty of the owner of such premises to provide for the payment of the services.

SECTION 20. BILLING CYCLE AND PENALTY FOR DELINQUENT PAYMENTS

20.01 Solid waste collection fees may be billed and paid in advance on a monthly basis. Payment shall be due upon, and shall become delinquent fifteen (15) days after the date of any billing. SECTION 21. DISCONTINUATION OF SERVICES

21.01 The District or hauler may discontinue service for any customer whose account remains unpaid for sixty (60) days after the date of billing as long as the customer has received a notice on a form approved by the General Manager or designee stating that service will be discontinued fifteen (15) days from the date of the notice if payment is not made by that time. Upon payment of the delinquent fees, collection shall resume on the next regularly scheduled collection day. Fees shall be continued to be assessed and billed notwithstanding that service has been discontinued and notice of same shall be included in the form sent to the customer.

SECTION 22. FEE A CIVIL DEBT

22.01 The fees levied for service for solid waste collection shall constitute a civil debt and liability owing to the District and/or any grantee from the person using or chargeable for such services and shall be collectible in the same manner provided by law.

SECTION 23. LIEN FOR NINETY (90) DAY DELINQUENCIES

23.01 Mandatory collection fees authorized pursuant to this article which remain unpaid for a period of ninety (90) or more days after the date upon which they were billed may be collected thereafter by the District as provided herein.

23.02 Once a year, the Board of Directors shall cause to be prepared a report of delinquent fees. The Board shall fix a time, date and place for hearing the report and any objections or protests thereto.

23.03 The Board shall cause notice of the hearing to be mailed to the landowners listed on the report not less than ten (10) days prior to the date of the hearing.

23.04 At the hearing, the Board shall hear any objections or protests of landowners liable to be assessed for delinquent fees. The Board may make such revisions or corrections to the report as it deems just, after which by resolution, the report shall be confirmed.

23.05 The delinquent fees set forth in the report as confirmed shall constitute special assessments against the respective parcels of land and are a lien on the property for the amount of such delinquent fees. A certified copy of the confirmed report shall be filed with the county auditor, on or before August 10, for the amounts of the respective assessments against the respective parcels of land as they appear on the current assessment roll. The lien created attaches upon recordation, in the office of the county recorder of the county in which the property is situated, of a certified copy of the resolution of confirmation. The assessment may be collected at the same time and in the same manner as ordinary county ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for such taxes. All laws applicable to the levy, collection and enforcement of county ad valorem property taxes shall be applicable to such assessment, except that if any real property to which such lien would attach has been transferred or conveyed to a Bonafede purchaser for value, or if a lien of a bona fide encumbrance for value has been created and attaches thereon, prior to the date on which the first installment of such taxes would become delinquent, then the lien which would otherwise be imposed by this section shall not attach to such real property and the delinquency fees, as confirmed, relating to such property shall be transferred to the unsecured roll for collection.

SECTION 24. INSPECTION OF PREMISES – POLICY ENFORCEMENT

24.01 The duly authorized representative of the District shall visit all commercial premises within the District from time to time to examine the sanitary conditions of the premises to determine whether the provisions of this policy and state laws are being complied with. The General Manager, or designee, shall enforce the provisions of this policy and properly notify any owner or occupant of any violations of this policy. Such notice whenever possible shall be affixed to a detachable bin and/or delivered in person

SECTION 25. ALTERNATE ENFORCEMENT

25.01 Notwithstanding the provisions of this policy prescribing specified action in the event of a violation, any other appropriate criminal or civil action may be maintained against the violation and against any person maintaining or permitting the violation.

SECTION 26. APPEALS

26.01 A business who desires to appeal the notice set forth in this Ordinance may appeal to the Board of Directors within the twenty (20) calendar days of the post-mark of the Warning Notice by filing a timely written appeal with the General Manager. Timely appeal shall not stay any further solid waste collection or responsibility to pay therefore. The General Manager shall set the matter for hearing before the Board of Directors and shall notify the Appellant by mail of the date set for such hearing, at least fifteen (15) days prior to said date. If the Appellant resides outside the District, the above period of notice by mail before the hearing shall be at least twenty-five (25) days. The Appellant shall have the right to appear in person or by an agent, designated in writing, at the hearing, and present oral, and/or written, evidence. The Board of Directors shall decide the appeal and shall issue its decision, which shall be in writing and be legally binding.

The additional remedies, penalties and procedures for violations and for recovery of costs related to enforcement provided for in this Ordinance are incorporated herein by this reference. The owner shall also be subject to court action to pay for solid waste collection service furnished to the business located thereon.

SECTION 28. SEVERABILITY

28.01 If any section, subsection, sentence, clause or phrase of this policy is for any reason held to be invalid or unconstitutional by decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this policy. The District Board declares that it would have passed this policy and each section, subsection, clause or phrase hereof irrespective of the fact that any one or more other sections, subsections, clauses or phrases may be declared invalid or unconstitutional.

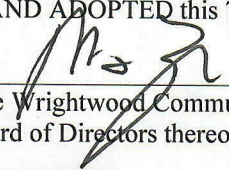

SECTION 29. PUBLICATION AND POSTING

29.01 The Secretary of the Board is hereby directed to cause a summary of this Ordinance to be published at least five (5) days prior to the date of adoption hereof in a newspaper of general circulation printed and a copy of the full text must be posted at the District office at least five (5) days prior to the meeting.
