

# Let's Talk Trash

A quarterly newsletter for Wrightwood locals, all about managing waste in our mountain town.

## 01 - Contamination

Remember to keep your recycling bin free of pine needles and trash! No sneaky non-recyclables allowed, or your recycling might end up taking a ride on the trash truck!

## 02 - Pine Needle Bag Pick Up

You can place up to three bags of pine needles on the curb for collection on the first service day of the month. For any extra bags, you must arrange a pick-up with CR&R for a small fee.

## 03 - Free Christmas Tree Recycling

Christmas is right around the corner! Each year, CR&R provides complimentary Christmas tree recycling. Keep an eye out for the large dumpster located outside Mountain Hardware.

## 04 - Thank You CR&R!

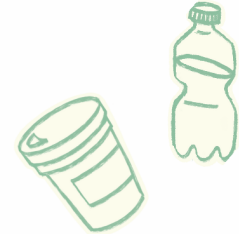

CR&R's generous sponsorship of \$3,000 to this year's annual Mountaineer Days is greatly appreciated. Thank you!

# Barrel Basics: Sorting Your Trash

Contaminants can complicate  
the recycling process!

What goes in  
your trash  
can?
