**THE VISION**

To empower our community to have local control by serving as a platform for community discussion, cohesion and action in the areas of parks and recreation, street lighting, solid waste and recycling and wastewater planning and engineering.

To promote and grow a vibrant parks and recreation department for our community.

To maintain and enhance our current infrastructure

To economize our solid waste process and maximize our efficiency in executing them

To protect our natural resources through evaluating community wastewater needs

To meet all these ends in a fiscally responsible manner
